<https://optimist.org.nz/resources/>

9.2 Open fleet competitors shall use only one hull, daggerboard, rudder (with tiller and extension), mast, boom, sprit and sail during the regatta. These shall all have valid measuring certificates which will be required to be made available for inspection at registration and during the regatta.

9.2 Each boat sailing in Open Fleet from sail number NZL 4608 onwards shall have a valid Registration Book.

9.3 Green and White Fleet boats are not required to hold current measurement certificates (alters International Optimist Class Rule 2.4.1) but any plywood hulls used will need to gain dispensation from the Race Committee.

9.4 Wet clothing, measurement and equipment checks may be made throughout the regatta at the discretion of the Technical Committee.

10. VENUE

10.1 The regatta venue will be New Plymouth Yacht Club Refer to Addendum B.

10.2 The racing area for the Optimist Open and White Fleets will be the waters off Port Taranaki. The Optimist Green Fleet will race in the Harbour of Port Taranaki.

11. THE COURSES

11.1 The courses to be sailed for Open and White Fleets will be trapezoid. The White Fleet will sail a shorter course than the Open Fleet.

11.2 Green Fleet will sail on a separate course to the Open and White Fleets. Their courses will be a variety of the following: destination sails, windward-leeward, novelty races, relays, obstacle courses, triangular courses, etc.

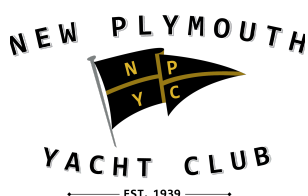

12. PENALTY SYSTEM

12.1 Appendix P, Special Procedures for Rule 42, will apply as per the sailing instructions.

12.2 For the Open Fleet, to encourage boats to take penalties afloat, Umpires may blow a whistle when they see what they believe to be a breach of a rule.

12.3 The right of appeal from a protest committee decision is denied as provided in RRS 70.5(a), (b) and (c).

This is required only if RRS 70.5(a), 70.5(b) or 70.5(c) applies.

Yachting New Zealand prescriptions and Addendum A require Yachting New Zealand approval for this clause.

13. SCORING

Open / White Fleets:

13.1 2 races are required to be completed to constitute a series.

13.2 a) When fewer than 5 races have been completed, a boat's series score will be the total of her race scores.

b) When 5 or more races have been completed, a boat's series score will be the total of her race scores excluding her worst score.

Green Fleet:

13.3 Will not have an overall series counted.

14. SUPPORT VESSELS

14.1 All support vessels are required to register via the online form on the website www.npyc.co.nz/events/optimist-north-islands.

14.2 A representative from each support vessel shall attend the daily support vessel briefings.

14.3 All support and coach vessels are asked to have VHF communications and be available to assist the race committee if required. The VHF channel to be used will be communicated at the support vessel briefing.

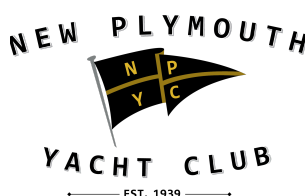

14.4 Support vessel launching is available from Port Taranaki Lee Breakwater.

14.5 All support vessels shall have an engine safety cut out switch (kill cord) attached to the driver AT ALL TIMES while the engine is running unless prior written exemption has been provided by the Organising Authority. [DP]

15. LAUNCHING AND STORAGE

15.1 All competing boats shall be launched and retrieved from Ngamotu Beach, unless instructed otherwise by the Organising Authority. [DP]

15.2 Beach trolleys shall be prominently marked with the boat's sail number [DP]

16. PRIZES

16.1 Prizes for Open and White fleets will be awarded in accordance with NZIODA Guidelines at the conclusion of the regatta. Prizes for the Green fleet will be awarded at the end of each day.

16.2 There may be draws for spot prizes throughout the regatta.

17. INSURANCE

17.1 Yachting New Zealand recommends that for class championships, each participating boat shall be insured with valid marine third-party liability insurance with a minimum cover of \$1,000,000 per incident or the equivalent.

18. DISCLAIMER OF LIABILITY

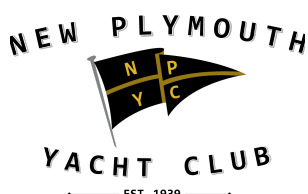

18.1 Competitors participate in the regatta entirely at their own risk. RRS 3, Decision to Race, states as follows:- "The responsibility for a boat's decision to participate in a race or to continue racing is hers alone."

Sailing is by its nature an unpredictable sport and therefore inherently involves an element of risk. By taking part in the event, each competitor and the responsible adult agrees and acknowledges that:

- a) They are aware of the inherent element of risk involved in the sport and accept responsibility for the exposure of themselves and their boat to such inherent risk whilst taking part in the event.
- b) They are responsible for the safety of themselves, their boat and their other property whether afloat or ashore.
- c) They accept responsibility for any injury, damage or loss to the extent caused by their own actions or omission;
- d) Their boat is in good order, equipped to sail in the event and they are fit to participate;
- e) The provision of a race management team, patrol vessels and other officials and volunteers by the event organiser does not relieve them of their own responsibilities;
- f) The provision of patrol vessel cover is limited to such assistance, particularly in extreme weather conditions, as can be practically provided in the circumstances.

18.2 The Organising Authority will not accept any liability for material damage or personal injury or death sustained in conjunction with or prior to, during, or after the regatta.

19. RIGHTS TO USE NAME AND LIKENESS

19.1 By participating in this event, competitors automatically grant to the Organising Authority and the event sponsors the right, in perpetuity, to make, use, and show at their discretion, any photography, audio and video recordings, and other reproductions of them made at the venue or on the water from the time of their arrival at the venue, until their final departure, without compensation.

20. USE OF DRONE FOR MEDIA

20.1 No drones are permitted as per Port Taranaki restrictions. [DP]

21. SUSTAINABILITY

21.1 A competitor shall not intentionally put trash in the water. RRS 55 applies at all times while afloat. [DP]

21.2 The 2024 Optimist North Islands is a Clean Regatta and we request that competitors, supporters and officials support this initiative:

- a) Bring your own reusables: water bottle, coffee cup, lunch box/bag for yourself and your support team and avoid single-use plastics.
- b) Carefully choose the correct waste stream at the regatta venue - landfill, compost, recycling.
- c) Choose electronic viewing over printing out NOR or Sailing instructions.
- d) Try to minimise your environmental impact when travelling to the event. Plan your journey <https://at.govt.nz/>. Consider carpooling, community minibus or [Toyota hybrid rental](#) and offsetting carbon emissions. Refer to the NZ [Carbon Footprint Calculator](#).

ADDENDUM A

NZIODA Fleet Guidelines

1.1 Green Fleet:

The Green Fleet is open to less experienced Optimist sailors. The emphasis is on fun and the objective is to offer less experienced sailors the opportunity to sail and participate at the same venue as an Optimist Open and White regatta without their feeling the need, or burden, to sail in these more competitive fleets.

In the Green Fleet equipment used is not required to hold current measurement certificates (alters International Optimist Class Rule 2.4.1) however if plywood hulls are to be used sailors will need to gain dispensation from the Race Committee. All boats in this fleet will need to adhere to the same safety standards of the White and Open fleets as outlined by NZIODA. <https://optimist.org.nz/resources/>

In Green Fleet :

- Any sailors can be involved; there are no restrictions for age or experience.
- Success will be awarded per race OR per day, NOT for an overall series.
- Sailors will experience a range of sailing experiences that include destination sails, novelty races, long course races as well as more traditional race courses.

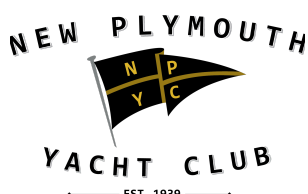

1.2 White Fleet:

The White Fleet provides an introduction to a racing series without the high physical and mental demands that are experienced in the Open Fleet. It provides an opportunity for sailors to compete in more traditional racing on a similar course to the Open fleet. This is a more competitive fleet than the Green fleet and a great transition between Green and Open fleets.

In the White Fleet equipment used is not required to hold current measurement certificates (alters International Optimist Class Rule 2.4.1) however if plywood hulls are to be used sailors will need to gain dispensation from the Race Committee. All boats in this fleet will need to adhere to the same safety standards of the Green and Open fleets as outlined by NZIODA. <https://optimist.org.nz/resources/>

In White Fleet:

- Races will likely be shorter in length than Open Fleet races
- Less races MAY be sailed each day than the Open Fleet
- Races are sailed on the same body of water as Open Fleet races

- Sailors are awarded prizes / trophies for their overall series result
- Sailors are unable to compete in this fleet if they have received a podium place in White Fleet at a previous Toyota Optimist National Championship

1.3 **Open Fleet:**

Open Fleet is the most competitive fleet in the class where sailors can compete at a high level for the overall prize of being the Optimist North Island champion for each gender.

In Open fleet:

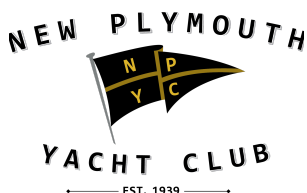

- Sailors are awarded prizes / trophies for their overall series result

Each boat sailing in Open Fleet from sail number NZL 4608 onwards shall have a valid Registration Book.

Open fleet competitors shall use only one hull, daggerboard, rudder (with tiller and extension), mast, boom, sprit and sail during the regatta. These shall all have valid measuring certificates. These documents shall be available for inspection at registration and during the regatta.

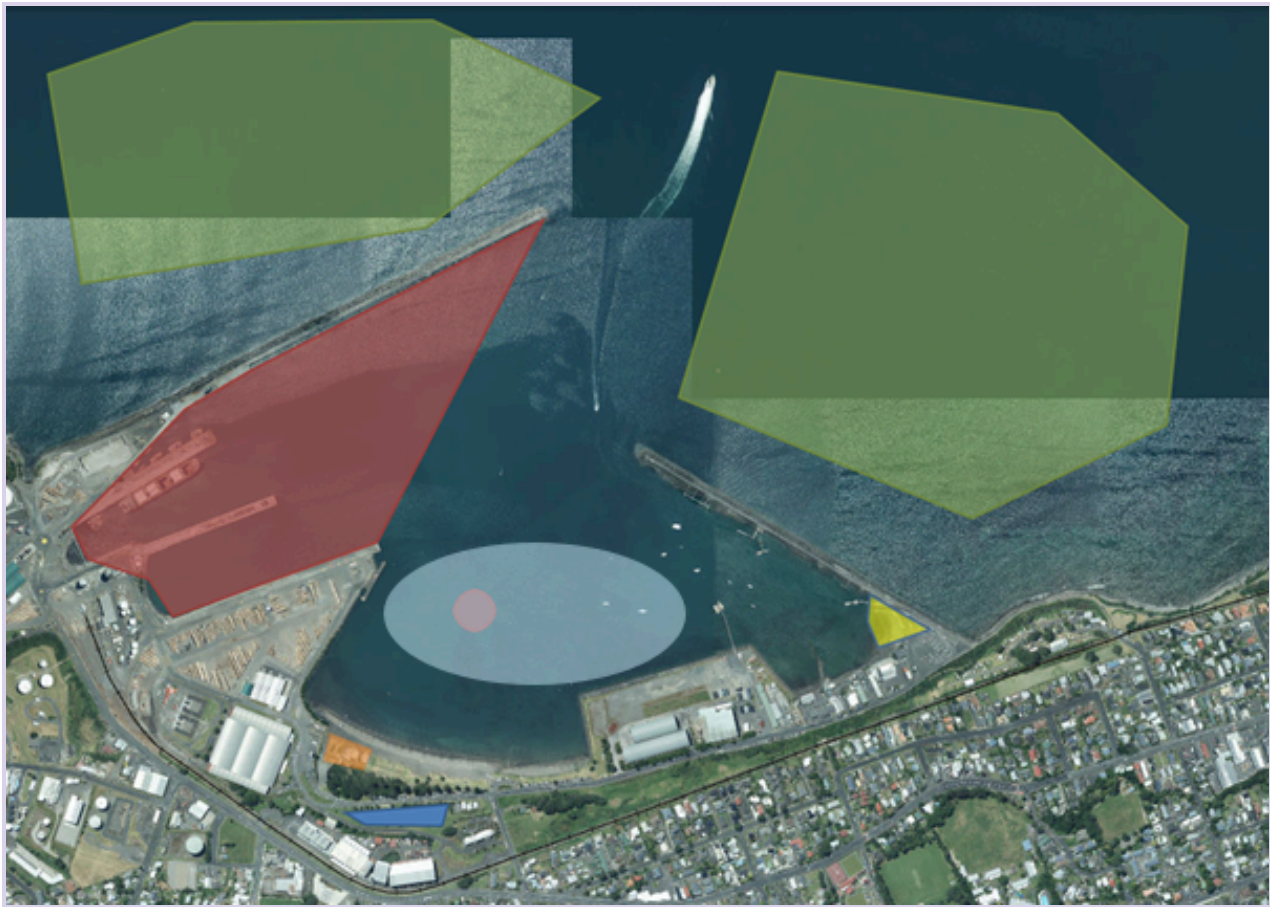

All boats in this fleet will need to adhere to the same safety standards of the White and Green fleets as outlined by NZIODA. <https://optimist.org.nz/resources/>
